

# Delaware Tourism ITINERARY

## *Dover Days*

**As one of the longest running festivals in the state of Delaware, Dover Days dates all the way back to 1930. What started as a simple flower and garden show staged by the Dover Garden Club, has now become an annual time to remember Dover's heritage with community spirit and an entertaining festival of family events.**

### **Day 1:**

**First Fridays** in downtown Dover is a celebration of the arts. Stroll tree-lined streets where local businesses host artists, music and offer tax-free shopping.

Later that evening, enjoy a free concert and dance all night long! Downtown Dover's beautiful outdoor park is the setting for a yummy BBQ dinner. Relax and enjoy the evening.

### **Day 2:**

Arrive at the **Dover Days Festival** early to enjoy an all-you-can-eat pancake breakfast! Wave your flag at our parade and cheer on local school children as they perform maypole dancing routines.

Walking tours, craft fair, entertainment, costumed pet parade, food court and more will keep you entertained all day.

### **Day 3:**

Tour the Historic Homes and Museums of Kent County at your leisure during the Dover Days house tour.

Top off the day with the **Dover Days Pops Concert** at the newly restored **Schwartz Center for the Arts** in downtown Dover.
