

## *Delaware* ITINERARY Tourism

### *Explore the Monster – Dover International Speedway*

**Best known as the “Monster Mile®,” Dover International Speedway is a one-mile, high-banked oval in Dover, Del. The track has been a fixture on the NASCAR Sprint Cup Series schedule since its inception in 1969 and continues to host NASCAR’s three national touring series – the NASCAR Sprint Cup Series, the NASCAR Nationwide Series and the NASCAR Camping World Truck Series – as well as the NASCAR Camping World Series, a regional touring series.**

Each seat at the Monster Mile provides an excellent view of the action, but nothing can beat the privileged access of being on the concrete track. Now, you can gain a new perspective of the Monster Mile on non-race weekends and get behind the scenes at Dover International Speedway.

A guided track tour may include some of these stops:

**The Monster Monument at Victory Plaza, presented by AAA, Victory Lane, an up close and personal view of the track and pit road, a visit inside the Infield Media Center and more!**

Souvenirs will be available for purchase at the conclusion of the tour.

Cameras are encouraged and provide a great way to remember and relive your visit to the Monster Mile!

Your tour guide on most days will be George Keller, the track’s historian. Keller has not missed a race at the track since its inception in 1969. He has many a story and memory to share!
