DOVER DAYS WEEKEND

FIRST WEEKEND OF MAY
SINCE 1933

Friday, April 30, 2010

First Fridays in downtown Dover is a celebration of the arts. Stroll tree-lined streets where local businesses host artists, music and tax-free shopping. Later that evening, enjoy a free concert with music that will keep you on your feet and a car show! In downtown Dover's spacious and beautiful outdoor park BBQ dinners will be available; relax and enjoy the evening.

Saturday, May 1, 2010

Arrive at the Dover Days Festival as early as you like to enjoy an all-you-can-eat pancake breakfast, then wave your flag at our parade, cheer on local schoolchildren as they perform maypole dancing. Walking tours, craft fair, entertainment, costumed pet parade, food court and more will fill your day.

Sunday, May 2, 2010

Today you can tour the historic homes of Kent County at your leisure during our house tour. Museums will be open also. End the day with the Dover Days Pops Concert at the newly restored Schwartz Center for the Arts in downtown Dover.
