

Delaware's Capital Region

LET'S EAT!

WINE, WHOOPIE PIES AND WHATSITS

Day 1 - Monday

Arrive in the Capital Region and check in to one of many welcoming accommodations. Hmm - what shall we have for dinner? Seafood, BBQ, buffet? Many choices tempt your palate here! After dinner you can try your luck at the slots or sports betting parlor at Dover Downs Hotel & Casino. Live entertainment is offered here also.

Day 2 - Tuesday

Behind the scenes at **Dover Downs Hotel & Casino**, you'll discover how it all comes together for folks dining at an event here. A kitchen tour will give you a new appreciation for the work behind a successful event.

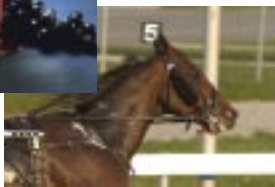

Spence's Bazaar has been a staple in downtown Dover for over 75 years. The wonderful smells will draw you in; homemade Amish sausage, pork sandwiches, cinnamon buns, roasted chicken, handmade pretzels and more. Candy, rows of baked goods including whoopie pies! Lunch here is a yum-fest. Afterwards, go on a discovery mission indoors and out where everything from Elvis statues to old 45s are for sale. You never know what you'll find here!

Let's finish the day with a wine tasting at **Pizzadili Vineyard & Winery** just south of Dover.

Take a guided tour and sip from several samples of this vineyard's best. Bring home a bottle of Delaware wine for your friends and family.

This evening perhaps you'd like to place a bet on your favorite horse and driver at one of Kent County's harness racing venues. Depending on the time of year, you will be at Harrington Raceway & Casino or Dover Downs Hotel & Casino.
